

A pledge to Clare College

This pledge form is not a binding document. It is simply a statement of your intentions, which we recognise you may wish to keep confidential.

However, it would be useful for the College if you were willing to complete the pledge form, not only to assist the College in its long-term planning, but also to allow us to show our gratitude for your gift during your lifetime.

I have remembered Clare College in my will with:

- a residuary bequest of% of my estate
- a pecuniary bequest
- a reversionary bequest
- a specific or non-monetary bequest

The approximate value of the gift is

£
